Meet Our Highlighted Annual Sponsor

EY's global network of professionals provides services to meet its clients' assurance, tax, transaction and advisory needs across innumerable industries. Its restructuring group helps companies and investors improve their total expected return in times of uncertainty and deteriorating performance and growth. EY evaluates its clients' business plans and supports its clients in managing work-out or turn-around processes and allocating capital. EY also devises strategies for addressing potential covenant breaches, stakeholder negotiations and compliance requirements. In the capital markets area, EY works to develop debt and equity capital structures and competitive financing programs.
