Meet Our Highlighted Annual Sponsor

Morris Anderson works exclusively with financially under-performing companies or those going through a dramatic change. Most often Morris Anderson works directly for companies, their owners and their Boards but also takes projects representing banks and bank groups of financially distressed borrowers and Unsecured Creditor Committees in Chapter 11 cases. Morris Anderson's service capabilities are broad and designed to assistance firms to improve financial performance, turnaround money losing businesses, restructure debt or raise new capital, sell companies and maximize value during liquidation.
