Meet Our Highlighted Annual Sponsor

Quest Turnaround Advisors provides its services as an advisor, interim manager, plan administrator or liquidating trust manager to accomplish the objectives of the engagement. Quest specializes in situations demanding significant and rapid change in a company's capital structure, operations or strategy. Whether the crisis is caused by a sharp decline in earnings or cash flow, key management departures, loss of confidence in management, rapid loss of market share, liquidity shortfalls, debt defaults, discovery of accounting irregularities or fraud, these circumstances demand a heightened sense of urgency, quality, fact-based analysis, and rapid decision-making. Quest helps its clients resolve these difficult circumstances.
